

BANDE DESSINEE RESERVEE AUX ADULTES

INTRODUCTION

Métait toujours gentil

🗓 ne buvait, ni ne fumait (ça ne se fait pas).

Il n'avait jamais oublié de se raser (mais avait-il de la barbe?).

Il n'avait jamais besoin d'argent.

Il n'avait jamais connu de femme (Tabou).

Il n'avait pas de papa, il n'avait pas de maman (ça on n'a jamais su pourquoi).
Cet ouvrage bien qu'imparfait comble néanmoins quelques lacunes inérantes à la sclérose du personnage, il a tout de même le mérite d'avoir été conçu en toute liberté.

Tintinophobes, tintinomaniaques, tintinophiles, ce livre vous est dédié.
